1. Pastor talked about the gospel according to Proverbs this Sunday. Discuss the two women and the two men from Proverbs who Pastor told us about and how their stories preach the gospel.

2. Then, Pastor used the process of two bad qualities becoming good ones as examples of the gospel in action: i.e. us changing from folly to wisdom because of Jesus. Talk about this process as Pastor did.

3. Pastor gave us a great verse to memorize: Proverbs 19:20 "Listen to advice and accept instruction, that you may gain wisdom in the future." What specific advice, instruction or wisdom did you take away from this message?
