

**Hebrews 9:11-14, Mark 12:29-34, Romans 12:1-2, Ruth 1**

1. In the beginning of Pastor's message he talked about letting go as a kind of sowing. What do we let go of? and What can that "gardening" process look like?
2. Discuss the 5 Bible characters Pastor talked about. What were the things each one could not give up? How do each of these things relate to us?
3. Then Pastor said we can't just go as far as these people did. We need to take it one step further and let go! How do we do that? and Where?
4. Any personal examples of actually letting go?
