

1. Start with discussing the chart Pastor showed us. How did he say our devotional life + generosity = witnessing?
2. Pastor told us the story of Zaccheus. The main characters were the crowd, Zaccheus, and Jesus. How was each one a witness? What can we learn about our witnessing from each one?
3. Did you ever think of yourself or our church as a whale? What does this idea teach us about witnessing?
4. Talk about this word Pastor gave us: We need to not be afraid of our darkness but rather open the door of our darkness so the light can be seen (witnessed). (refer to Rev. 12:10-11)
